SUMMARY

My Name is P. Sai Prasanth. I had completed my B.Sc with a CGPA of 8 from Andhra University, Visakhapatnam in the year 2021. I have done 2 internships in which one is from Internshala and the other is from International Model United Nations. I have good knowledge and skills on Data Science as I have been doing it from the last 2 years. I have done 2 Capstone Projects so far using R language. I am to say that I acquired good percentages in R Language and Python.

Recently, I have learnt Data Structures and Algorithms on Coding Ninjas which is a online platform for educational purpose. Upon completion of the DSA course my final percentage stood at 99.83 which really made me ecstatic.

Apart from the computing and programming skills, I also cleared the stage 1 of DRDO - ADMINISTRATIVE ASSISTANT exam conducted in the year 2019. I am teaching the Secondary and Higher Secondary students on a weekly basis on zoom at present.
